AMENDMENTS TO THE ABSTRACT

Please insert the Abstract of the Disclosure which is on the attached sheet.

ABSTRACT OF THE DISCLOSURE

An adhesive patch containing an integral spirit level, said adhesive patch comprising: a) a first transparent film comprising an indented region; b) a second film, having an upper surface that is attached to the lower surface of said first transparent film, such that the indented region of said first film and the portion of said second film that lies immediately below said indented region together define a closed tubular structure; c) level-indicating means associated with said tubular structure; and d) adhesive means for affixing the patch to a surface whose orientation is to be determined; wherein the level-indicating means provide an indication of the spatial orientation of the surface to which said adhesive patch is affixed.
